Job Summary- Main purpose of the post;

Support worker to thrive on creating great teams where staff have pride in what they do, value and respect the people they support and are committed to delivering excellent services.

The role is to provide direct to staff at a service level and to deliver excellent care and support. As a role model to others, you will support the operation manager in leading, managing and developing the team and to deliver great person centred services.

You will need to work to the regulations and policies set internally and externally e.g Care Quality Commission.

To understand and undertake all essential duties to ensure the person who is supported remains safe and well.

To work flexibly within a team lead across the service. Work with other professionals, health staff and other stakeholders, families and carers.

To attend to personal needs and follow support plans for people who use the service, including personal care.

To supporting people with other aspects of their life including leisure and domestic tasks, budgeting and medication/ health issues. Whilst on duty the support worker is responsible for ensuring the appropriate action is taken regarding property issues, general maintenance, health and safety and risk management.

To achieve positive outcomes by promoting inclusion informed choice and rights to people who use the service in all aspects of their lives.

To provide physical, practical and emotional support to service users who are experience severe difficulties in day to day living and self care, whilst protecting their rights as individual and human beings.

To provide person centred service that ensures that individuals have the opportunity to achieve their ambitions and aspiration in the community where they live.

To value people as individuals and treat them with respect.

To provide support and encouragement to people with disabilities who live in their own homes, or who are preparing to do so. Work will be with individuals and / or groups of people, with the objective of assisting them to create and maintain a personal and valued lifestyle in accordance with their wishes and within available resources.
